

CSP Enhancement Certification Sheet

Edge Habitat Bundle (EHM02)

Client's Acknowledgement Statement:

I have elected to use the following enhancements and understand the requirements of the activities.

Compensation applies to each acre of the field(s) (if smaller than 40 acres) or each 40 acre block meeting the criteria on the enhancement activity sheet. All habitat components not already present will be applied before compensation is made.

Use the following table to:

- Document the tract, field, location of borders and covey headquarters areas (0.1 ac shrubby cover) for each field or 40 acre block. Show location(s) of each habitat element on aerial photo.
- Actual methods/materials used including border disturbance method.

Fields	Border entire perimeter or 10%	Shrub planting, edgefeathering or existing shrubs?

I agree that the following information will be provided to NRCS upon request:

1. Written documentation of the activity performed.
2. Copies of dated receipts for equipment or services purchased.

I understand that CSP Enhancements earnings are subject to payment caps and that my actual payments will depend on my CSP Tier level and the number of acres enrolled.

I understand that it is my responsibility to obtain all necessary permits and to comply with all laws, regulations and ordinances pertaining to the application of these activities.
